

CVC

COASTAL VAPE CO.

YOUR CUSTOM VAPE SOURCE

PRODUCT CATALOG 2025

Coastal Vape Co provides cutting edge vaporizer technology including everything from custom 510 thread cartridges & batteries to pod systems and more. CVC prides itself on the highest quality innovation in the industry. We own our own factory and manufacture in-house, where we employ a strict quality control process to ensure a fail rate below 1%.

QUALITY CONTROL

Each of our products undergoes extensive QC. Our 12 step process ensures failure rates of less than 1%.

CUSTOMER SERVICE

We pride ourselves in consistent and quality customer service. We are happy to work with you to create the perfect product for you and your brand.

LOW MINIMUMS

We have a low minimum order quantity of 2K custom units per order.

COST-EFFICIENT

We manufacture in-house and can offer our high quality products at a cost-efficient, factory direct price.

INNOVATION

Our engineering team, made up of PHD and EngD experts, has over 20 years of combined experience in vape tech. They are constantly innovating new tech.

SAFETY

All of our products are Cat 3, heavy metal certified. Results available upon request.

CUSTOMIZATION

OEM

Coastal Vape Co is happy to work hand-in-hand with our clients to uniquely customize our products! Our design team will take your brand's logo, or any design you can conceive of, combine that with the design ideas you provide, and offer you a medley of mock-ups. If you don't like the designs, our team will go back to the drawing board and work tirelessly until you're content.

ODM

Have an entirely unique, groundbreaking, never before seen idea? Our engineers will work with you to design your product from scratch, providing countless insights and samples until you are content.

Full Customization available, including Capacity, Intake Hole Size, Voltage, Color, Design, Logo, etc.
